- Web Technologies – HTML, CSS, Bootstrap-4, Django, Servlet and JSP
- Databases - MySQL, Oracle, PostgreSQL, SQL Server
- Operating System - Windows, Linux
- Other Technology - Git, GitHub

Internships

Software Engineering Virtual Experience, JPMorgan Chase & Co.   **May'20**
Underwent a 2 week online Virtual program on tools and technologies. Also worked on a project and completed the following tasks.
 - **Interface with a stock price data feed.**
 - **Use JPMorgan Chase frameworks and tools.**
 - **Use Perspective to create the chart for the trader's dashboard.**
 - **Display data visually for traders.**
The practical experience taught me a lot of things such as **Unit Testing** in Python, Using JPMorgan frameworks and tools.

Projects

- **Online Shopping System |** http://techienaman.pythonanywhere.com/

 This is an **E-commerce** web based application designed in **Bootstrap and CSS**. All the backend code is written in **Django-3 Python** framework and I used **MySQL** Database. This project is also hosted on server.
 It has various Modules listed below :
 - Admin Panel
 - Login and Registration Module
 - Order the product
 - Track your order
 - Auto email send
 - Review The product
 - Payment Gateway

- **Desktop Notepad Application |** https://github.com/tiwarinaman/Notepad-project

 I have created my own notepad using Python GUI **Tkinter module**. This notepad GUI will consist of various menus like **file, edit** and **color** using which all functionalities like **saving the file**, **opening a file**, **editing**, **cut** and **paste** can be done. I made this notepad in Dark mode and the text color also can be changed from the color-picker menu.

Achievements

When I was in sem-3, I got a chance to participate in a Quiz **(SQUAD TECH HUNT - 2020)** organized by **SQUAD INFOTECH Pvt Ltd** and **University of Mumbai Department of Computer Science.** In this Quiz more than **8k** plus candidates participated only **500** candidates shortlisted for the next round and invited to **Mumbai University,** I was one of them and I was the **winner** of that Quiz and **awarded** by **Mumbai University.**
